Maria's Cookery Course

Hands-on cooking lessons

Welcome

Choose hands-on cooking classes to create an unforgettable holiday that combines Italian food, art, and culture. Programs are offered in April, May, June, September and October. Our daily classes begin at 10:30 and end around 2:00, allowing you time to explore the art and culture of Veneto on your own.

Your accommodations will be at the **Tenuta Castel Veneze**. You will enjoy the great care to detail that Maria Giustiniani, the owners, give to the hotel, the restaurant, and, most importantly, to their guests. Under their watchful eyes, Maria has been transformed into one of Veneto's finest hotels, all the while keeping its original old style, charm, and ambiance.

In the summer the garden is cool and green and guests can relax in our swimming pool or can enjoy sipping a coll glass of Prosecco under the roof terrace.

For lovers of Italian food, we offer a unique hands-on opportunity to participate in small groups in a cooking experience. The local women of Veneto will share their techniques, special ingredients, and family recipes. Our classes are ideal for cooks at all experience levels. And you'll join them a tavola to enjoy what you've prepared.

For wine lovers, we're situated not so far from **Valpolicella** where the famous **Amarone** is produced.

Lets you explore Venice on your own. Our staff can help with museum and dinner reservations, guided tours, outlet shopping, and additional days in and around Venice with car and driver. You are invited to explore the surrounding area and make the program as structured or unstructured as you wish.
